

Education

Hampshire College (2012 - Current) **Candidate for Bachelors of Arts**

Concentrating in Computer Science & Animation. My curriculum is multi disciplinary and has me studying architecture and design as well. I am currently enrolled in my second year there and on track to graduate in spring of 2016.

Holliston High School (2008-2012) **Received Diploma**

General education studies completed with honors in 2012. Played 1st chair alto saxophone in Band & Jazz Band as well as section leader. Sound Board Operator and Technician for almost 20 stage productions and events.

Employment

Charles River Creative Arts Program (2011-2013) **Junior Counselor**

Worked as a Junior Counselor at an arts camp for each summer of listed year. Helped to encourage kids to be creative, assist counselors in activities, lead activities, and assume the safety and responsibility for groups of children ages 8-15. Courses I worked in included but were not limited to visual arts and music.

Robert Adams Middle School (2009-2012) **Lead Sound Technician**

Employed to establish working sound systems and operate the sound board for children's productions. Gained experience with wireless microphones, 24-channel sound board, hanging & shotgun microphones, and instructing children how to use certain pieces of equipment.
